Francisca Mendoza-Reviews

...musician of uncommon individuality and power...Brahms as it should be played, fervent and hot-blooded but always with the most unbearable tenderness just underneath...

Stephen Brookes, The Washington Post

...brilliant performance...accurate to the last detail..

Haaretz Israel

...captivating musical expression...fiery and spectacular performance...

Avui, Barcelona

...spectacular aplomb, allure of a great concert artist...outstanding virtuosity...

El Mercurio, Chile

...She has the musical temperament of a coiled spring...played magnificently...triumph of light textures...fiery...

Mark Harrington, The Washington Post

..she surprised us with an inner electric power which she used to awaken radiating expressions and colors. She creates intimate moments while at the same time she invites us to journey along the music full of energy that flows to the end.
